

CAREER ASSOCIATES LEAGUE 2008-09

1. This league will consist of 20 teams of 8 bowlers only each, to bowl each Tuesday at 6:15 p.m. for 36 weeks. This is a Co-Ed league sanctioned by USBC, men or women.
2. Each team captain shall collect \$ 65.00 (\$ 13.00 per bowler) from his team each bowling night and deliver same to the treasurer before the third game.
3. No individual may fall more than two weeks behind in payments. A bowler that is two weeks in arrears is an ineligible player and may not bowl again until paid in full.
4. Each individual bowler will pay a sanction fee of \$ 19.00.
5. Each team shall put up an entry fee of \$ 20.00.
6. The team captain will determine the team lineup each bowling night.
7. Tardy bowlers will be permitted to catch up, if ready to bowl before completion of the 5th frame & starting with the 6th frame. The blind score of the bowling average less 10 pins will be used. Tardy bowlers must be ready by the first frame of the second or third games.
8. Each team will be permitted to have 8 bowlers. A bowler that quits, may be replaced by a new bowler. Transfer to different team must be agreeable to all teams and must give 2 weeks notice.
9. No new bowlers in the last 6 weeks without an established 3 game average, including transfers, except in emergency when board of directors must approve.
10. A team must have at least two bowlers present to bowl by end of first frame or forfeit. If a team has absentees, blind score shall be computed on the bowler's average with the most games. If they have same number of games, lower avg. will be used.
11. There shall be no roving subs.
12. Hdcp. for the first week will be figured after 3 games are bowled. Vacancy score shall be 125. First night line up will be determined by last year's standings.
13. New members or subs bowling for the first time in this league will figure average after 3 games are rolled. The score of each game will be used only if a new bowler is unable to complete three games on first day and until 3 game average is established.
14. Handicap shall be 80% of bowlers average and 220.

15. No games are to be bowled before or after the regular time without previous arrangements between captains. Games to be made up must be bowled within two weeks. Secretary must be notified as to time of make-up games. Pre-bowled or make-up games by full teams only will be allowed and will count for team or individual season high prize money.
16. All disputes must be referred to the league officers before the next bowling night. These disputes will then be settled by a meeting of the captains and officers and excluding the disputing captains.
17. Season prizes will be decided upon at a meeting of league officers.
18. Only bowlers who have bowled in 1/2 (54 games) or more are eligible for season prizes. A team or individual may win only one prize.
19. In case of a tie in the standing for first place, a 1-game roll-off on the last night will be bowled. Handicap allowed.
20. When two teams or bowlers tie for prize money, the money for the places tied will be added together and divided equally between them.
21. The individual holding 1st high average must take this prize first. High series is next, then high game. All USBC awards go to the actual winner.
22. A team or individual must take high series over high game. The above rules are set for our league and all rules not covered by these rules shall be covered by the USBC rules and regulations.
23. The league standings shall be determined by a point system. Winners of each game during the season receive two points, and winners of each night receive one point. One point is awarded both teams in case of a tie game.
24. This league will bowl a split season. See attached rule governing split season. Team position after roll-off based on total points of all teams except winner.
25. A team bowling against vacant team must bowl within 50 pins their own team average to win the game, and within 150 for series.
26. Team bowling unopposed may not see the scores of the other team that has bowled previously, until game is over.
27. Most Improved average will be figured after 21 games.

This league will bowl a split season with 18 sessions in the first half and 17 sessions in the second half. The team leading the league at the end of the 17th session of the second half will be the second half winner and will bowl the first half winner the last night of the season for the league championship. The rest of the league will also bowl a position round based on the entire season standings the last night of the season.

If two or more teams are tied at end of either half, the teams involved must have a 1 game roll-off on the last night of half to determine the half winner. After the league championship has been determined, the rest of the league will be positioned according to season's record. The last night of the season will be a position round based on entire season's record, even if one team has won both halves.

There also will be a position round the last night of the first round (18th week), and another position round based on the second half standings on the 35th week.

President - Dale Prevo

Vice Pres - Dan Horstman

Sec-Treas - Carl Horstman Sr.
